ACD/Manager		Depository/Trustee	
First State Investments (UK) Limited		The Royal Bank of Scotland PLC	
Fund Code	SEDOL	Fund Type	
FTPSA	B0TY6S2	OEIC	
Objective			
<p>The Fund aims to achieve long-term capital growth. The Fund invests in equities in the Asia Pacific region (excluding Japan, including Australasia). The investment process will take account of sustainability themes and issues and requires positive engagement with companies in respect of these. Clarification Point: The Fund will at all times be invested in accordance with its investment policy and therefore at least two thirds of the Fund's total assets will be invested in equities and equity-type securities issued by companies which comply with the principle of Sustainability, in accordance with the following explanation of the term Sustainability. The Fund's emphasis on sustainability themes and positive engagement incorporates five features in making investment decisions. These are positive screening (identifying companies whose management are believed able to manage sustainability risks and opportunities facing their companies); integration of environmental, social and corporate governance factors into investment analysis; engagement with and exit from companies based on external global norms-based screening (the fund manager will engage senior management on any identified environmental, social and governance issues and exit from companies where progress is made); and the promotion of sustainable development. The Fund will also emphasise companies with a positive impact on local sustainable development.</p>
