Henderson North American Enhanced Equity		
ACD/Manager		Depository/Trustee
Henderson Investment Funds Limited		The Royal Bank of Scotland plc
Fund Code	SEDOL	Fund Type
HDNAE	B0LYSH3	OEIC
Objective		
The Fund aims to provide consistent capital growth relative to the FTSE World North America Index (or such other index as may from time to time replace it) through investing primarily in North American companies. There are no restrictions on the size of the companies in which the Fund may invest. The Fund aims to provide an annual return above that of the FTSE World North America Index, whilst controlling risk. The Fund will invest primarily in North American companies included within the FTSE World North America Index. Additionally, the Fund can invest in companies listed on other exchanges which are associated with FTSE World North America Index listed shares or other North American companies. The Fund will not attempt to replicate identically the share composition of the FTSE World North America Index, and the fund manager will actively review the shares within the portfolio, and effect adjustments as necessary in order to achieve the investment objective. The Fund may invest the property in transferable securities, money market instruments, derivatives and forward transactions, deposits and units in collective investment schemes.
