BNY Mellon Long Term Global Equity Inc		
ACD/Manager		Depository/Trustee
BNY Mellon Fund Managers Limited		The Royal Bank of Scotland
Fund Code	SEDOL	Fund Type
BNLTE	B2423L7	OEIC
Objective		
To achieve long-term capital appreciation through investments in predominantly equity securities of companies located throughout the world. The Sub-Fund may also invest in collective investment schemes and warrants. The sub-fund will invest in global equity securities that the investment manager believes to be capable of producing real returns to investors. The Sub-fund will emphasise long-term investments in profitable business rather than short-term speculative activity. This approach tends to result in relatively low portfolio turnover. It is anticipated that the Sub-Fund will maintain a portfolio of approximately 40+ investments.
