Objective		
To achieve a high income together with some growth of both income and capital. The fund will invest primarily in commercial property and property related securities. The fund may also invest in non property related securities, units in collective investment schemes, money market instruments, deposits, derivatives and forward foreign exchange contracts. Investments in these assets may include exchange traded funds, real estate investment trusts, unregulated collective investment schemes (which may include unauthorised property unit trusts and limited partnerships). Whilst the fund will invest primarily in the UK, it may also invest overseas. As a result of the fund's investment policy it may mean at times that it is not appropriate to be fully invested but instead to hold cash or near cash. This will only occur when it is necessary to enable redemption of units, efficient management in accordance with the investment objective of the fund or for a purpose ancillary to the investment objective of the fund. (This fund is a non-UCITS retail scheme which complies with chapter 5 of the New Collective Investment Schemes Sourcebook).
