ACD/Manager		Depository/Trustee
SVM Asset Management Limited		The Royal Bank of Scotland plc
Fund Code	SEDOL	Fund Type
SVAES	B1FL7S1	OEIC
Objective		
<p>The objective of this Fund is to achieve above average capital growth over the medium to long term (although short term investment opportunities will also be considered) and it aims to outperform the FTSE World Europe Index. This Fund will invest principally in securities which are dealt in or traded on all European Eligible Securities Markets. From time to time, when particular opportunities are identified, or the ACD considers it appropriate, this Fund may invest in securities which are dealt in or traded on other Eligible Securities Markets or which are otherwise permitted for this Fund. Whilst focused on profitability and investor returns, the ACD is also aware of the social and environmental aspects to investments. Although the Fund may negatively screen out some companies the approach is one of positive screening and actively engaging with the management of investee companies.</p>
